

JnightZ Information

Dear Camp Shalom Families,

JNightZ is an exciting Monday-Friday overnight camp experience available to both Boynton Beach and Palm Beach Gardens Campers. This program is designed to provide campers with unforgettable camp memories. During the day, campers participate in regular camp activities at the Palm Beach Gardens location in either the Traditional or Sports program. However, when the sun sets, a whole new world of nighttime special events, additional activities, and accommodations awaits our campers at the FAU North dorms.

To ensure convenient drop-off for all Camp Shalom participants, we provide a shuttle service to and from the Boynton Beach JCC on Monday mornings and Friday afternoons. This way, every camper can easily access our camp and be a part of the JNightZ adventure.

Some of the highlights of JNightZ is our evening events, field trips, and camp traditions that foster lasting memories and lifelong friendships. Throughout their stay, campers and families can rely on the safety and trust of our dedicated Camp Shalom staff to provide that home away from home feeling.

Delicious and nutritious meals are included and provided by the campus dining hall and our camp lunch caterer, guaranteeing a well-rounded dining experience for all campers.

JNightZ is where adventure, camaraderie, and personal growth come together. Join us for an extraordinary overnight camp experience that will leave a lasting impact on your child's life.
